Under the agreement for 2015
Narangba Valley State School will receive $270,210*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Develop a learning plan for students who are below National Minimum Standard or are below a C standard in English and Mathematics
- Improve the oral language of preparatory students by reducing the number of students identified as not meeting criteria in the initial oral language screener
- Achieve 98% or above of students reaching National Minimum Standard in Years 3 and 5 in Reading, Spelling, Numeracy, Writing, Punctuation and Grammar
- Increase the percentage of students achieving in the Upper 2 Bands to be equal to or above the national percentage in Reading, Spelling, Numeracy, Writing, Punctuation and Grammar for years 3 and 5

Our strategy will be to

- Review and track student performance utilising diagnostic testing, conducting regular classroom assessment and implementing individual goal setting
- Provide focused and intensive teaching for students requiring additional support to demonstrate achievement against the year level achievement standards
- Improve teacher capability by providing professional development and coaching to ensure teachers provide explicit instruction and differentiate their teaching to cater for individual learning levels
- Develop a network of local early childhood centres and kindergartens to enhance knowledge of on-entry to preparatory expectations and to assist in a smooth transition of children into preparatory

Supporting research:
- ✓ The Art and Science of Teaching – Robert J. Mazarno
- ✓ Visible Learning for Teachers – John Hattie
- ✓ How to Differentiate Instruction in Mixed Ability Classrooms – Carol Ann Tomlinson

Our school will improve student outcomes by

- Engaging teachers and teacher aides to support the intervention of early phase students and below C standard students in Mathematics and English requiring support to reach National Minimum Standards $245210
- Build further teacher capability in explicit teaching practices in literacy and numeracy via release time for our coaches to support staff $5000 + school funds
- Purchase suitable support resources to complement the delivery of literacy and numeracy (Reading Eggs, Mathletics) $20000
