Under this agreement for 2016
Narangba Valley State School will receive $279,866*

This funding will be used to

- Develop a learning plan for students who are below National Minimum Standard or are below a C standard in English and Mathematics
- Improve the oral language of preparatory students by reducing the number of students identified as not meeting criteria in the initial oral language screener
- Achieve 98% or above of students reaching National Minimum Standard in Years 3 and 5 in Reading, Spelling, Numeracy, Writing, Punctuation and Grammar
- Increase the percentage of students achieving in the Upper 2 Bands to be equal to or above the national percentage in Reading, Spelling, Numeracy, Writing, Punctuation and Grammar for years 3 and 5
- Increase the average relative gain of all assessed NAPLAN students in reading and numeracy compared to similar QLD State Schools for Years 3 to 5

Our initiatives include

- Reviewing and tracking student performance utilising diagnostic testing, conducting regular classroom assessment and implementing individual goal setting
- Providing focused and intensive teaching for students requiring additional support to demonstrate achievement against the year level achievement standards and students on the cusp of the U2B in Year 4
- Improving teacher capability by providing professional development and coaching to ensure teachers provide explicit instruction and differentiate their teaching to cater for individual learning levels
- Training new coaches in Literacy and Numeracy
- Continuing to develop the Narangba Burpengary Early Years Learning Strategy

Supporting research:
- The Art and Science of Teaching – Robert J. Marzano
- Visible Learning for Teachers – John Hattie
- How to Differentiate Instruction in Mixed Ability Classrooms – Carol Ann Tomlinson

Our school will improve student outcomes by

- Engaging teachers and teacher aides to support the intervention of early phase students, below C standard students and moving students into the U2B in Mathematics and English $249866
- Building further teacher capability in explicit teaching practices in literacy and numeracy via release time for our coaches to support staff $5000
- Training further coaches in Literacy and Numeracy $5000
- Purchasing suitable support resources to complement the delivery of literacy and numeracy both at school and home (Reading Eggs, Mathletics, Soundwaves) $20000
