From the Principal

School overview

Narangba Valley State School opened its doors in 2005 and provides quality education for students in Preparatory to Year 6. In 2020 student enrolment numbers have risen to 1090. Our motto of Believe and Achieve forms the foundation of our philosophy of learning. Students at NVSS strive and excel in areas of academia, leadership, sporting, citizenship and creative talents. We offer diverse, inspirational and quality educational experiences and opportunities that recognise and value the individuality and uniqueness of our students. High expectations ensure a clear focus on learning. Our values are embedded within school operations and are identified by our 'Frog Five' values of Respect, Success, Partnerships, Safety and Care. Our Student Code of Conduct promotes a philosophy that celebrates and rewards students who regularly achieve expectations of the Frog Five. At Narangba Valley State School we strive to develop accountable, resilient 21st century citizens. With a focus on building positive relationships, we foster a culture that encourages and promotes high behavioural expectations. We empower individuals by strengthening their capacity to cope with adversity, take responsibility for their personal well-being and make positive life choices. Narangba Valley State School values innovative and interactive pedagogy. Our students benefit from an engaging, well-paced, age appropriate curriculum that helps foster real-world connections. Narangba Valley teachers continually access Professional Development opportunities to enhance their already eclectic array of knowledge and talents. The Pedagogical Framework embraced at Narangba Valley State School aims to improve student learning by promoting teacher effectiveness and professional growth. Our School utilises current and emerging technologies to meet the demands of a rapidly changing world so that students acquire the skills to be creative and critical thinkers. Information Communication Technology is taught as a cross curricular area of learning. At Narangba Valley we empower staff to develop their expertise in order to provide a comprehensive, aligned and inclusive curriculum. Best practice is achieved through collaboration and sharing knowledge, skills and ideas. Our Preparatory to Year 6 curriculum encompasses the Australian Curriculum for English, Mathematics, Science, HASS, Health and Physical Education, Design and Digital Technology and Languages (Japanese). We are committed to ongoing communication, reflection and evaluation. We work collaboratively with the community and external health professionals to deliver a holistic approach to support the diverse needs of our students, staff and parents/caregivers. This includes staff and student well-being and encompasses a range of targeted supports focused on positive learning outcomes. Our school offers flexible and inclusive learning environments that positively engage a diverse community of learners. This promotes differentiated learning that fosters inclusive education and ensures every student succeeds. Further curriculum offerings include: Co-Teaching to further address identified learning needs, Instrumental Music - Strings and Multi, AFL and Netball Developmental Programs, Transition Programs with our local high schools, Choirs, Opti-minds, Leadership Programs and Public Speaking. We offer camp opportunities in Years 5 and 6 with a focus on leadership. Our very popular playgroup operates one morning a week and caters for children 0 to 5 years old who reside within our catchment. The Narangba Valley community is very supportive of the school. We have a very active Parents and Citizen Association and a large trained volunteer base of parents and community members that help out in many areas of school operations. Our facilities are modern and well resourced. Facilities include: ICT Laboratories, Student Activity Centre, Community Activity Centre, Hall, Music and STEM Block, Resource Centre and well-appointed grounds and playgrounds suited to various age groups. Narangba Valley State School fosters and promotes opportunities for all students to reach their full potential across the curriculum. Narangba Valley State School students continued to benefit from the implementation of our Maths Science Academy for Year 4, 5 & 6. This unique opportunity has been developed in conjunction with local primary schools and Narangba Valley State High School. Our students also engaged in an array of Coalition activities including Public Speaking, a Performance Showcase, Instrumental Evenings and District and Regional sport activities. We look forward to welcoming you as a new member of the Narangba Valley State School community.

The [class size](#) targets for composite classes are informed by the relevant year level target. Where composite classes exist across cohorts (e.g. year 3/4) the class size targets would be the lower cohort target.

Curriculum implementation

The P–12 curriculum, assessment and reporting framework specifies the curriculum, assessment and reporting requirements for all Queensland state schools' principals and staff delivering the curriculum from Prep to Year 12. Further information on school implementation of the framework is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/p-12>.

Extra-curricular activities

Queensland state schools provide a wide range of subjects and extra curricula activities such as sport, art, music and school camps. Further information can be found here <https://www.qld.gov.au/education/schools/information/programs>.

How information and communication technologies are used to assist learning

Information and communication technologies (ICT) are an important part of contemporary schooling. The Australian Curriculum includes ICTs as a general capability across all learning areas, as well as Digital Technologies as a specific learning area. Further information on models used by schools to assist learning is available at <https://education.qld.gov.au/parents-and-carers/school-information/student-ict-device-programs/one-to-one-models>.

Social climate

Overview

Each Queensland state school develops and enacts policies to support an integrated approach to behaviour, learning and teaching.

Our Student Code of Conduct is our school's behaviour policy, with information about school rules, consequences and processes for addressing bullying and the use of technology. A copy of this is available on our school website.

Further information is also available at <https://www.qld.gov.au/education/schools/health>.

Parent and community engagement

Our approach to engaging with parents and the community is aligned to the departments Parent and community engagement framework. The framework helps students, schools, parents and the community to work together to maximise student learning and wellbeing. Research shows parent and community engagement that is effectively focused on student learning can deliver powerful outcomes. Further information is available at <https://education.qld.gov.au/parents-and-carers/community-engagement>

Respectful relationships education programs

Our school has implemented the Respectful relationships education program (RREP) as part of the broad multi-departmental Queensland Government approach to ending domestic and family violence.

The RREP is a Prep to Year 12 prevention program that focuses on influencing behavioural change to build a culture based on equality and respect in our students, staff, parents and wider community. Students are provided opportunities to explore social and emotional learning in self-awareness, self-management, social awareness, relationships, ethics, values, social norms, gender roles, stereotypes, human rights, risk and responsible decision-making. A growing body of evidence shows that social and emotional learning of this nature leads to:

- improved social and emotional skills, self-concept, bonding to school and classroom behaviour
- less disruptive classroom behaviour, aggression, bullying and delinquent acts
- reduced emotional distress such as depression, stress or social withdrawal.

Further information is available at <https://education.qld.gov.au/curriculum/stages-of-schooling/respectful-relationships>

School disciplinary absences

Table 6: Count of incidents for students recommended for school disciplinary absences at this school

Type of school disciplinary absence	2017	2018	2019
Short suspensions – 1 to 10 days	16	27	39
Long suspensions – 11 to 20 days	0	0	1
Exclusions	0	0	0
Cancellations of enrolment	0	0	0

Note:

School disciplinary absences (SDAs) are absences enforced by a school for student conduct that is prejudicial to the good order and management of the school.

Environmental footprint

Reducing this school's environmental footprint

Environmental education has been a feature of Queensland schools for more than 30 years. In many schools it has been creatively and proactively incorporated into the curriculum in each phase of learning, and is also reflected in the school's facilities and in the actions of its principals, teachers and students.

Table 7: Environmental footprint indicators for this school

Utility category	2016–2017	2017–2018	2018–2019
Electricity (kWh)	335,423	351,534	370,754
Water (kL)		1,966	1,389

Note:

Consumption data is compiled from sources including ERM, Ergon, CS Energy reports and utilities data entered into OneSchool* by schools. The data provides an indication of the consumption trend in each of the utility categories which impact on this school's environmental footprint.

*OneSchool is the department's comprehensive software suite that schools use to run safe, secure, sustainable and consistent reporting and administrative processes.

Qualification of all teachers

The Queensland College of Teachers (QCT) is responsible for ensuring that teaching in Queensland schools is performed by an appropriately qualified person, that has successfully completed either -

- (a) a four-year initial teacher education program including teacher education studies of at least one year (e.g. a Bachelor of Education, or a double Bachelor degree in Science and Teaching) or
- (b) a one-year graduate initial teacher education program following a degree (e.g. a one-year Graduate Diploma of Education (Secondary) after a three-year Bachelor degree) or
- (c) another course of teacher education that the QCT is reasonably satisfied is the equivalent of (a) or (b). These are considered on a case-by-case basis.
